

The Most Instagrammable Locations in JAMAICA

Jamaica has so many Instagram-worthy spots; it's hard to know where to start

Blue Mountain Peak

The trek up to the highest point on the island definitely warrants a celebratory selfie! You championed the cold and misty encounters with changing ecosystems as you climb up, and now the world deserves to know. **Make a statement; begin your journey before 2am to catch the glorious sunrise for an even more breathtaking backdrop. After this, your selfie game is sure to peak!**

Explore the Glistening Water & Blue Lagoon

This locale is often known as “amazing” and “unbelievable” natural wonder. As the natural night-time’s attraction in Jamaica, Glistening Waters’ Luminous Lagoon is one of the most incredible spots in the world. Do not hesitate to disturb the micro organisms so that they make the water glow and help you capture the moment.

Cliff at Sunset

Caribbean is blessed with glorious sunsets and at Negril, it becomes an event. The spectacle is so stunning that it is a common practice of onlookers to clap Mother Nature for her artistry. **You’ll never see another sunset quite like those from the cliffs of Negril.**

The life size Bob Marley Statue

Dedicated to Bob Marley, is definitely a mandate selfie spot for everyone who visits the shores of the Caribbean. **One cannot miss a panoramic shot of the museum, with the Rastafarian flags and feel the vibe of a true Jamaican.**

WHAT'S THE ISLAND'S BUZZ? Reach Falls & Dunns River Falls

The equally stimulating as reggae, “Dunn’s River Falls” is one of the national treasures of the Caribbean, combining the land of rivers and water springs. Equally spectacular, “Reach Falls” is home to variety of birds, promising a memorable experience and if you are lucky you might spot a black and yellow billed parrot. It is a romantic hideout with your loved one along with being an adrenaline-laced activity.

Adventurous River Rafting at White River in Ocho Rios

Luckily, when you’re in the paradise, the selfie opportunities come up constantly at White River as you begin with your raft captain, the journey starts with the scenic beauty of the valley and then follows the upstream through the lush Jamaica countryside. It will bring out the poser inside you. Don’t forget to enjoy the ride while hearing the murmur of the river and racing with the fellow rafters.
