Dolphin watching in Maldives!

Did you know? Maldives ranks among the top five places on Earth for whale watching and dolphin spotting.

Dolphins are everywhere in Maldives, each boat ride gives you a good chance of being accompanied by the dolphins.

The friendliest types of dolphins are the Spotted, Bottlenose and Striped Dolphins with the Spinner Dolphins being the most commonly spotted of them all.

You can sail around on the Dhoni boat to enjoy the beautiful scenery and take your time to watch dolphins and other seabirds.
