**Experience a Lagoon Wine Tasting** - Some of the resorts in Maldives brings you the serene “lagoon wine tasting” experience. What can be better than a spectacular sapphire hue in between the waters and wine tasting sessions placed around the lagoons. One of the popular lagoon wine tasting session is organised around 6-7 pm near the sunset hours. Enjoy some exquisite wine, while standing on the water against the backdrop of the azure sea and stunning sunset.

**Enjoy Sandbank Picnics** - Sandbank picnics in Maldives are a must with family. Resorts provide everything including a private boat and butler service. With zero level of pollution and serene island surroundings, you can either enjoy beach volleyball or relax on the beach. Enjoy helping your kids in beach combing or simply enjoy the nature!

**It's time for some Island Hopping** - The destination provides plenty of opportunities to go island hopping and exploring the paradise on your own. These typically include a visit to an inhabited island with an escorted walk around the sandy streets or an opportunity to buy souvenirs and have tea in a café. Since boats are the taxis of the islands it's possible to hire one to get from one island to another.

**Cultural Side of Life** - Maldives is not only about the sandy white beaches and luxury resorts; it has a colourful cultural side as well. There are many joyous traditional dances like the “Dhandi Jehun”, “Bolimalaafath Neshun”, “Maafathi Neshun”, “Bandiyaa Jehun” and “Kadhaa Maali”. These fascinating dances are very energetic, having nearly 30 people moving in complete synchronization with each other, making it a jaw dropping site to watch.
