## ÔMER, a new gastronomic addition to Hôtel de Paris Monte-Carlo

On the ground floor, giving out onto the garden of the Rotonde wing of the new Hôtel de Paris Monte-Carlo, **Chef Alain Ducasse's latest concept** has finally been unveiled: ÔMER is an ode to Mediterranean cuisine that promises a delicious gourmet getaway. From Turkey, Lebanon and Greece to Tunisia and Morocco, the menu, which gives pride of place to the Mediterranean **culture of sharing and mixed flavors**, will take your taste buds on a journey. Alain Ducasse, the three-Michelin-starred chef of the Louis XV, has composed a brand new culinary symphony for ÔMER that is brilliantly orchestrated by Chef Patrick Laine. Leave the Monegasque shores behind to enjoy lunch or dinner in a sunny Mediterranean atmosphere devoted to warmth and sharing. The **beautiful dining room or the lush gardens** created by renowned landscaper Jean Mus will stimulate the senses, whilst the sea sparkles in the background, continually inspiring the chefs of our gourmet restaurants. It is the beginning of a brand new journey that perpetuates the legend of Hotel de Paris Monte-Carlo...
