

JAMAICA MAKES IT MOVE!

MARCH 2022

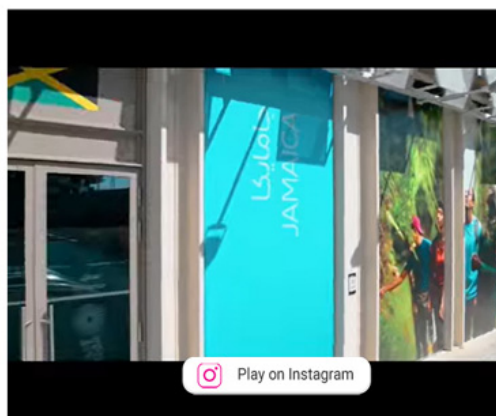

From artists to dignitaries, sports persons to multi-talented individuals and many more, toured and explored the Jamaica Pavilion at World Expo 2020 Dubai.

It was our pleasure and privilege to welcome and interact with amazing people from various walks of life.

The Jamaican Pavilion showcased how the island introduces itself as the logistics hub, connecting the Americas to the rest of the world.

The Jamaica Pavilion provided visitors with an immersive experience of the sights, sounds, and tastes of the Caribbean Island.
