

Cheval Collection has partnered with HOMEtainment, Specialists in Creating Bespoke Experiences

All India, 21 August 2023: Cheval Collection has partnered with HOMEtainment, specialists in creating bespoke experiences in the comfort of your apartment. With over 200 experiences ranging from private chefs, mixologists and musicians to masterclasses & children's entertainment, there is plenty to choose from. Each experience is designed to be interactive for you and your guests.

The expert HOMEtainers will take care of everything and bring your event to life whilst you sit back, relax and enjoy a memorable time with friends and family. The selection of experiences below is just a taster of what is on offer.

Private Bartender

From cocktail classics to in-house creations, HOMEtainment's experienced bartender is great at creating customised cocktail menus that suit your event and your palate!

Mezcal Tasting Experience

You will be transported through the history of Tequila and Mezcal and how it is produced. Learn about the different artisanal processes still used today and sample examples of these much-loved spirits.

Private Chef Experience with Persian Chef Bahar

Private chef, Bahars authentic traditional Persian meal is made with organic and seasonal ingredients. It's perfect for any kind of occasion when you're entertaining, from a romantic date, a comforting family dinner or for an intimate celebration in your apartment.

Canapé Party

With a wide selection of canapés to choose from, there will be something to keep everyone happy!

Grazing Boards

Indulge in a stunning display of savoury and sweet delights that will leave your guests speechless. From artisanal cheeses and cured meats to fresh fruits and vegetables, to decadent chocolates and pastries, the HOMEtainer chef will curate a mouth-watering spread that caters to all dietary needs and preferences. Impress your guests with a unique and visually stunning display of culinary delights, expertly curated and crafted.

Saxophonist Performance

Take your next party to the next level by hiring saxophonist and HOMEtainer Mack to perform a live set. Mack can play two 55 minute sets and with his versatile range he can play chill, smooth, house, jazz, pop, soul, motown as well as taking requests and playing your favourite songs!

Children's Entertainment

When it comes to entertainment and activities for children, Sharky & George have you covered! Their awesome children's parties are all about getting everyone involved in active, imaginative and energetic games, races, competitions, adventures and missions always involving a certain amount of mischief! So, whether you're interested in a woodland survival party, a chocolate making extravaganza, a movie making masterclass or a couple of hours of good honest fun, Sharky & George will do everything they possibly can to create the most awesome party imaginable.

About Cheval Collection:

Cheval Collection is an award-winning hospitality group with thirteen luxury all-apartment locations in London, Edinburgh and Dubai, guaranteeing a warm welcome and an unforgettable living experience. Get to know these historic and intriguing cities from a spacious apartment, mews house or penthouse in one of our luxury Residences or Maisons, with the benefit of a fully equipped kitchen and dedicated living space at your disposal. All our apartments are designed to accommodate guests for any length of stay.

With a range of accommodation options in prime locations, we promise to settle you into your perfect London, Edinburgh or Dubai home, either for a blissful getaway or a relaxing extended stay. Each one of our luxury locations has its own unique character, whilst still maintaining the same professional service standards. As a leading luxury accommodation provider, the team at Cheval Collection understands the meaning of excellent hospitality, and we aim to deliver nothing but the best.
